Some privileges may be granted with consultation or limitations posed for cause by the Board of Directors, subject to the authority of the Medical Advisory Committee to grant delineated privileges. Privileges may be increased only with documentation or justification for change. You must be able to document that you have the same privileges in another hospital before being granted privileges at the Center. Please place a check mark in front of each procedure which you are requesting privileges to perform.

- Application of cast
- Arthrectomy, hand/finger
- Arthrocentesis
- Arthodesis
- Arthroplasty
  - Elbow
  - Foot/toe
  - Hand/finger
  - Knee
- Arthrotomy, elbow
- Arthroscopy
  - Ankle
  - Elbow
  - Knee
  - Shoulder
  - Wrist
- Aspiration, bone marrow for biopsy
- Biopsy
  - Aspiration, synovial fluid knee
  - Bone
  - Muscle
- Bunionectomy
- Bursectomy
- Carpal tunnel release
- Capsulorrhaphy, coded by site
- Capsulotomy
  - Elbow
  - Toe
- Chemonucleolysis
- Debridement
  - Bone
  - Patella
- Division, muscle – soft tissue; Scalenus anticus and sternocleidomastoid for torticollis
- Excision
  - Baker’s cyst
  - Blood vessel, lower limb
  - Bone - local, of lesion or tissue
  - Epicondyle, elbow
  - Fat pad, knee and patella
  - Lesion
    - Bone
    - Joint
    - Hand and finger
  - Knee
  - Toe and foot
  - Tendon sheath
  - Neuroma, Morton’s
  - Sinus tract, toe
- Exostectomy
- Exploration
  - Hand, soft tissue
  - Hand, tendon sheath
- Fasciectomy
  - Hand
  - Plantar fascia
- Fasciotomy
- Finger fracture ORIF
- Fixation, internal of bone w/fx reduction
- Fusion
  - Joint, interphalangeal
  - Toe
DELINEATION OF PRIVILEGES

Physician Name: 

Date: 

Some privileges may be granted with consultation or limitations posed for cause by the Board of Directors, subject to the authority of the Medical Advisory Committee to grant delineated privileges. Privileges may be increased only with documentation or justification for change. You must be able to document that you have the same privileges in another hospital before being granted privileges at the Center. Please place a check mark in front of each procedure which you are requesting privileges to perform.
